

BREWING GOOD VIBES

Join us for monthly gatherings where community and creativity come together for a cause!

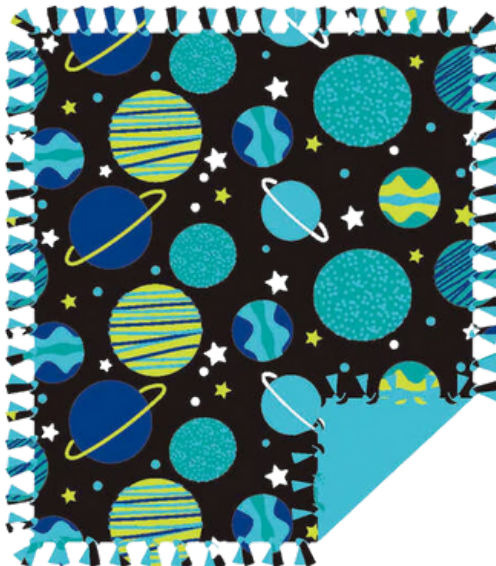

*stay tuned here for
project updates!*

In April we need to finish up our no sew fleece blankets so we can deliver them to Child Life Services at Corewell - Royal Oak!

No experience needed—just bring your heart and helping hands! All materials will be provided and every blanket made will go to a child or young adult in need of warmth and comfort.

Let's craft, connect, and give back together!

*A variety of patterns
will be available.
Blankets will be
48" X 60" and only cut
into rectangles to start.*
